our mini mains....

We asked our customers what factors they consider when coming out for lunch.

We were told; cost, time and the size of a meal.

Taking the feedback on board we have come up with our "mini main" lunch menu.

At £5.95 it's a bargain, we aim to get it out to you in 20 minutes and you're getting a meal which will satisfy your hunger!

We hope you enjoy

Greig and Adrian
